RE: Red Rock Mine  
S & S Mining Company  
ACT/037/050  
San Juan County, Utah

Dear Steve,

Enclosed is the notice of intent to commence mining operations at the Red Rock mine that you requested. I have also enclosed a copy of the Division's response to the inadequate submittal. To my knowledge we have not received any response from S & S Mining Company. I am uncertain whether the mine discharge observed by Joe Helfrich and myself, during an inspection 5-20-82 is still occurring, or whether mine operations have in fact ceased. Another inspection during July may be appropriate.

Please keep us informed of your progress.

Sincerely,

SANDY PRUITT
